**HMIS Commitment**

As the authorized administrator for the organization listed above, I confirm that homeless - dedicated projects funded under the CoC competitive process in our organization will participate in HMIS System in accordance with approved policies. HUD rules allow projects dedicated to serving domestic violence to participate in a separate by comparable data system that meets HMIS standards. Non-personally identifiable data must be provided from the alternate data system to the HMIS Lead for purposes of reporting.

- These projects will participate in the central HMIS in accordance with approved policies and procedures.
- This intent includes a project that qualifies as a dedicated domestic violence (DV) project, the DV project will participate in an alternate data system and report data to the central HMIS Lead agent as required.
