

GETTING STARTED with the Counting Us App

1 Register for the Count using the Volunteer Registration Portal link provided for your region. Links to registration portals for most regions can be found at <https://sandiego.pointintime.info/>

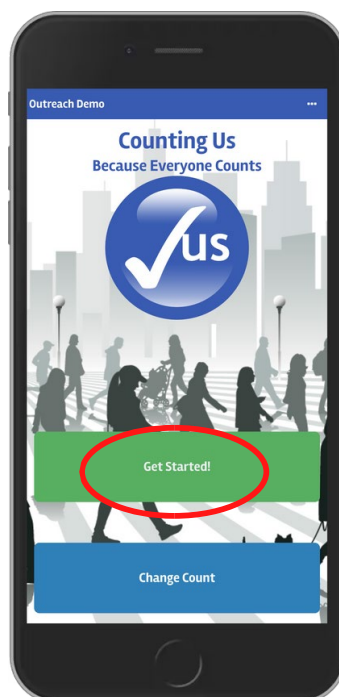

2 Download the Counting Us app using the QR code to the right. Or search for "Counting Us" from Google Play or the App Store.

3 Tap "Forgot Password" then enter your email address and click the link in your email

4 Tap "Get Started" and you are ready to start the Count!

5 Conduct Surveys for those you can engage and Observation Tallies for those you cannot

For volunteers not required to register through the portal

- Youth Count Staff
- Father Joe's Staff
- Caltrans Volunteer (Only)

You can access San Diego's WeAllCount Surveys through the following Setup Key "**San Diego2025**" or join the **2025 WeAllCount**.

If you are shown a list of regions, then select the one you will be counting in. Youth Count, Father Joe's and Caltrans Count Sites have been setup in the Counting Us mobile Application.
