

Access Sites serve as a starting point to get connected to available housing resources. Each one differs in what they can provide to clients. It is recommended that you call ahead to learn more about the options available prior to visiting their physical location. Connecting with an Access Site does not guarantee that you will receive direct assistance with housing or shelter. It is important that you stay in regular contact and report any major changes in your situation.

All information posted here has been [shared with 2-1-1](#). For additional DV related support please utilize 24/7 DV Hotline: (888) 799-7233
