

# HHAP Strategic Investment RFP Preliminary Results

Posting Date: September 23, 2026

**Final Funding awards are anticipated to be posted by October 1, 2026.**

*These recommendations are preliminary and do not constitute final funding awards. Applications identified as Recommended to Advance or Recommended to Advance Pending Clarification remain under consideration through the clarification, grievance, and final portfolio review process.*

*Independent application scoring informed the preliminary recommendations but did not determine funding status. Consistent with the RFP, the portfolio review also considers permanent housing outcomes, additional housing impact, readiness, cost and right-sizing, regional and population needs, and alignment with the purpose of the HHAP funding opportunity.*
