

## Youth Homeless Demonstration Program (YHDP) Round 8 Awardees

The Youth Homelessness Demonstration Program (YHDP) is a national initiative supported by the U.S. Department of Housing and Urban Development (HUD) to serve communities in developing coordinated strategies to prevent and end homelessness among youth and young adults aged 14 to 24.

In October 2024, the San Diego Continuum of Care (CoC), led by the **Regional Task Force on Homelessness (RTFH)**, was awarded **\$9.75 million** through YHDP Round 8—the largest award in California and the second round of funding for San Diego. This funding is being used to create youth-led solutions with local partners and young people with lived expertise of homelessness.

Each application was reviewed by an independent review committee that included youth with lived experience. Applications were ranked according to the scoring rubric for this RFP. The highest-scoring projects were selected. The application scoring rubric was included in [Appendix 3](#) of the RFP instructions.

The agencies below have been selected as the youth providers to serve YHDP Round 8 grants.
