RE: Release of Homeless Housing, Assistance and Prevention (HHAP) Request for Proposals (RFP)

Dear Community Partners,

Thank you for your continued partnership and engagement throughout the development of the Regional Task Force on Homelessness (RTFH) Homeless Housing, Assistance and Prevention (HHAP) Request for Proposals (RFP).

Over the past several months, the HHAP investment strategy has been informed by discussions with the Continuum of Care (CoC) Board, stakeholder engagement, and collaboration with regional partners. As discussed during recent CoC Board meetings, the release of the HHAP RFP remained pending while the region awaited HUD's FY 2026 Continuum of Care (CoC) Notice of Funding Opportunity (NOFO). This approach provided an opportunity to better understand the federal funding landscape and preserve flexibility as the regional HHAP investment strategy was finalized.

With HUD's release of the FY 2026 CoC NOFO, the HHAP RFP process is moving forward.

The HHAP RFP will be released on **Monday, August 3, 2026**, with the applicant webinar, application timeline, and supporting resources available at that time.

We appreciate your engagement and partnership throughout this process and look forward to receiving housing-focused proposals that strengthen our regional homeless response system and accelerate permanent housing outcomes.

Thank you for your continued commitment to ensuring that every San Diegan has a safe place to call home.

Sincerely,

Lahela Mattox, COO
