

How to Download & Get Started with the Counting Us Mobile App

For registered volunteers

#1

Register for the Count

Scan the QR code or visit sandiego.pointintime.info to register. Your confirmation email will include your site assignment and account setup instructions.

#2

Google Play

Apple App Store

Download Counting Us

Search for Counting Us in your device's app store, or scan the Google Play or Apple App Store QR code above.

#3

Log In or Update Password

Log in with the email you used to register. If needed, tap Forgot Password, enter your email address, and follow the link sent to your inbox.

#4

Open Your Count Profile

From the landing page, open your assigned count profile. Registered volunteers should see 2027 WeAllCount. No setup key is needed.

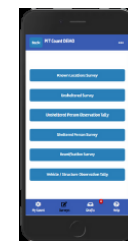

#5

Review Your Assignment

Open My Count to confirm your site assignment and review any bulletin-board messages or site-specific instructions before Count Day.

#6

Start Surveying!

Follow the guidance from your site coordinator or PIT leadership and begin counting on January 28, 2027.
