Partnership Sites: How to Get Started with the Counting Us App

PARTNERSHIP SITES INCLUDE: Father Joe's Village, Caltrans Staff, Adjoin Staff, and Youth Count Service Provider Staff

1 Download Counting Us

Search for "Counting Us" in your app store, or scan the QR code below to open the app listing.

Google Play | Apple Store

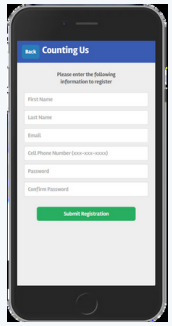
Google Play or Apple App Store

2 Get Started

Previously used Counting Us? Log in or tap Forgot Password. New user? Tap Register.

3 Create Your Profile

New users: enter your information, then tap Submit Registration.



4 Join the 2027 Count

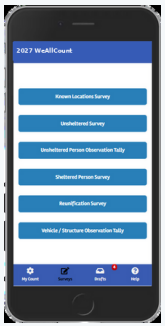
Tap Choose Count and enter the setup key: SanDiego2027 (no spaces).

5 Open Your Count Profile

Return to the landing page and tap your Count Name: "2027 WeAllCount".

6 Start Counting

On January 28, 2027, open the surveys and follow instructions from your PIT leadership.



PARTNERSHIP SITE NOTE Partnership sites are already included in the 2027 count. If you cannot link yourself to a partnership site, you can still access the count surveys. Contact your PIT leadership if you need assistance.
