PROGRAM IMPLEMENTATION
RESOURCES & COMMON ISSUES
UNDERSTANDING COC RULES

• Complying with Federal Regulations is complex

• Implementing HUD Programs requires added attention to detail
  ▫ HUD has specific rules for implementing its programs – beyond the Federal Rules
  ▫ Not all HUD programs follow the same rules – CoC, ESG, CDBG, YHDP each have different rules

• Organizations may have experience with other programs
  ▫ DOE, DOJ, DOL, HHS

• BUT HUD CoC operates differently from those, so fund-based accounting and distinct protocols are essential!
The BIG rules for Implementing CoC Projects

All Federal Programs – multiple rules

- 2 CFR part 200
- Housing Programs:
  - Fair Housing, Anti-Discrimination, Equal Access, No involuntary separation of families
  - Housing Quality & Safety

CoC 24 CFR part 578 is the “go-to” rule

- Specifically lists eligible costs
- Lists other federal regulations and if they apply
ELIGIBLE COSTS IN CoC PROJECTS

Only these categories and only items as described in 24 CFR 578:

- Support Services
- Operating Costs for Housing
- Rental Assistance and Leasing
- Project Administration
ELIGIBLE COSTS – SUPPORTIVE SERVICES

In general, grant funds may be used only on eligible costs identified in 24 CFR 578 and must be included in your subrecipient agreement.

- Assessing service needs
- Assistance w/moving costs
- Case management
- Child care
- Education services
- Employment assistance & job training
- Food
- Housing search & counseling services
- Legal services
- Life skills training
- Mental health services
- Outpatient health services
- Outreach Services
- Substance abuse treatment services
- Transportation
- Utility deposits
- Operating Costs

Grant may also fund staff and overhead costs directly related to carry out these activities
Costs NOT Allowed or Restricted in CoC

Not Allowed
• Bad debt
• Fundraising
• Donations
• Entertainment (including food for meetings)
• Alcohol
• Penalties, fines
• Interest
• Legal defense

Restricted
• Charging 100% of utilities to a single grant
• Security (must have 50%+ units)
• Unrestricted business expense such as cost of incorporation, licensure
• Indirect costs for subrecipient over first $25,000
• Travel to training unless HUD approved

COMMON ISSUES IN IMPLEMENTING CoC PROJECTS

- Time and activity reporting
- Administrative costs
- Indirect cost rates and De Minimis indirect costs
- Match requirements
- Supporting Documentation
Day-to-day operation of the supportive service-only facility (maintenance, repair, building security, furniture, utilities and equipment) are eligible as a supportive service.
• Direct administrative costs must be documented
INDIRECT COSTS
INDIRECT COSTS

• Subrecipients may charge indirect costs to the award.
  ▪ Two major methods:
    □ Negotiated indirect cost rate with a cognizant Federal department (varies)
    □ De Minimis rate allowed (10%)

• Indirect costs are expenses of doing business not readily identified with a particular activity but necessary for general operation of applicant organization and conduct of activities it performs.

• Applicants that do not have an approved federally negotiated indirect cost rate may charge up to a rate of 10% of modified total direct costs.
NEGOTIATED INDIRECT COST RATES

• Applicants with an approved federally negotiated indirect cost rate must submit with their annual CoC application.
• Subrecipients with an approved Negotiated Indirect Cost Rate provide a copy to the RTFH and can charge based on the specifics as negotiated.
• The NICR can be from any Federal Dept.
• The NICR is periodically renewed or renegotiated.
DE MINIMIS INDIRECT COST

- HUD has established a De Minimis Indirect Cost (DMR) rate (10%)
  - Cannot have or ever had a NICR
  - Cannot exceed $35 Million in Federal Funds
  - Use it for all federal awards

- Is applied to MODIFIED direct costs
  - Cannot “double bill” the 10% DMR is removed from direct cost billing
  - Some items NOT in the DMR are:
    - Rent, equipment, patient care, direct participant support

- Full DMR Guide from HUD (March 2021)

- CoC 201 Using the De Minimis Rate training on RTFHSD.org
DMR – Eligibility

For CoC and ESG (part §200.68)

- direct salaries and wages, applicable fringe benefits
- materials and supplies, services, travel
- sub-awards and sub-contracts up to the first $25,000 of each sub-award or sub-contract (regardless of the period of performances under the award)
- must meet RADAR (reasonable, allowable & eligible, applicable, necessary to performance of the grant,
- identified specifically the program or be directly assigned to such activities
- consistent with agency policies and procedures
REMEMBER ADMINISTRATION IS CAPPED AT 10%

• If a project has less than 10% of Direct Administrative Costs, the NICR or DMR can be used to fill the gap of up to 10%.
  ▪ Administrative costs cannot exceed 10%, even if you have a NICR higher than that.
  ▪ Administrative costs shared 50/50 with RTFH
  ▪ Ways to recover your 5% of administrative costs:
    ▪ Direct Admin Cost
    ▪ NICR or DMR fill the ‘gap’ up to the 5% cap

• Administrative line item must be documented
EXAMPLES OF COSTS INCLUDED IN MODIFIED DIRECT COSTS

• Supportive service: annual assessment, case management, education, employment training, housing search/counseling, transportation, legal, life skills

• Operating: maintenance and repair, building security

• HMIS data collection, training, victims services data, legal and lead agency costs

• Administration: general management not tied to direct service, environmental review
EXAMPLES OF COSTS EXCLUDED IN MODIFIED DIRECT COSTS

- Child care
- Moving costs
- Educational scholarships
- Food
- Mental health, outpatient health, substance abuse treatment
- Vehicle transportation,
- Utilities and utility deposits, property taxes, insurance, reserves, damages
- Furniture
- HMIS equipment, fees, licenses
- Rent, utilities, equipment
MATCH
MATCH REQUIREMENTS

- Must document all costs using the same policies and procedures used to document CoC Program funding

- Match requirement – 25% cash or in kind for all line items except leasing

- Matching funds can only be used on eligible CoC Program costs.
**Match Documentation**

- Projects must document formal match agreement (e.g., MOU for in-kind) prior to grant agreement.

- If recipient needs to change its in-kind matching source, a new MOU **must** be in place before a new source can be counted as match.

- Must demonstrate match is spent on eligible activities and incurred within the grant period.

- Must keep source documentation (e.g., MOU) on file for review when needed.
UNDERSTANDING MATCH

• Must be cash or in-kind contributions
  ▫ In-kind may be third-party source, or
  ▫ Directly from the agency
  ▫ Only includes eligible costs of the project (Ex: no fundraising, debt, etc)

• Third party in-kind services to program participants must be documented by an MOU prior to grant agreement execution.

• In-kind match from the agency is documented in a letter of commitment.

• Program income can be used as match (Ex: program participant rent that comes directly to the project can be counted as match)
What Is Not Match?

• Match does NOT include:
  • Cash or any in-kind contribution used as match for another grant
  • Cash or in-kind contributions statutorily prohibited as match or ineligible under that program’s requirements
  • In-kind services provided **without an MOU**
  • Program Participant Savings Funds
  • Federal benefits provided directly to the program participant (e.g. food stamps, MediCal)

• Match MOU **must** contain specific statements

Match Commitment

1. RTFH requires subrecipient to meet match milestones for the program.

2. Should the Subrecipient not meet the agreed upon match expectations, RTFH in its sole discretion reserves the right to recapture funds that will meet the match requirements as required by HUD. RTFH also reserves the right in its sole discretion to mandate a corrective action with a performance improvement plan (PIP) to ensure match requirements are met.

3. Subrecipient will include in the RFR submission, a reimbursement summary sheet (RSS) which will be required to be updated quarterly. The subrecipient shall provide all requested information. Failure to provide the information may result in the reimbursement being returned to the subrecipient unpaid.
Expenditure Milestone Expectations

1. Subrecipient is expected to meet the following expenditure deadlines for YHDP funding. Subrecipients will be required to confirm they can meet these spenddown targets or provide an alternative timeline to be evaluated by RTFH.

2. Should the Subrecipient not meet the agreed upon expenditure expectations, RTFH in its sole discretion reserves the right to recapture the difference in funds between the actual expenditure deadline and expected expenditure. RTFH also reserves the right in its sole discretion to mandate a corrective action with a performance improvement plan (PIP) to ensure future timely expenditure of YHDP funds.

**COC Monitoring Goals**

- Proactively assist CoC funded projects with efforts to comply with HUD regulations
- Guidance and technical assistance opportunities to CoC funded projects
- Address and help resolve performance concerns related to policies, procedures, and outcomes
- Ensure there is consistency in how agencies/projects implement their CoC funded programs
Grant Monitoring

1. The subrecipient will work with RTFH’s Contracts and Grants Manager to complete periodic reviews to discuss contract compliance and fiscal spending. Periodic reviews will occur at a frequency set by the Contracts and Grants Manager.

2. If RTFH determines that a subrecipient has issues meeting the requirements of the agreement, the subrecipient will submit a PIP to RTFH within 30 days.

3. RTFH will complete an annual monitoring review to ensure compliance with HUD regulations.
